Entries

Decision notice

Condition 3

Materials

Class: Pre-commencement
Detail: No development shall commence until samples of the external facing materials have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved samples.
Recorded by the owner as something they were told by someone else.
Deadline recorded: 24 August 2026
Puts the permission at risk: Yes

- Submitted, 6 July 2026
  - Sample panel built on site and photographed. Brick, mortar colour and the render sample all on one board.
- Response received, 4 August 2026
  - Approved on the brick and the render. They asked for a darker mortar and I agreed it rather than argue.
- Recorded as discharged, 11 August 2026
  - Discharged. Thirteen days before I needed it, which is closer than I would like.
- Condition 3 - materials - discharge notice.pdf

Condition 4

Surface water drainage

Class: Pre-commencement
Detail: No development shall commence until a scheme for the disposal of surface water has been submitted to and approved in writing by the Local Planning Authority.
Recorded by the owner as something they were told by someone else.
Deadline recorded: 24 August 2026
Puts the permission at risk: Yes

- Submitted, 22 June 2026
  - Hambleton Civils drainage strategy and the soakaway calculations off the percolation tests.
- Recorded as discharged, 28 July 2026
  - Discharged without a query.
- Condition 4 - surface water drainage - discharge notice.pdf

Condition 5

Construction method statement

Class: Pre-commencement
Detail: No development shall commence until a construction method statement has been submitted to and approved in writing, to include wheel washing, parking for site operatives and hours of delivery.
Recorded by the owner as something they were told by someone else.
Deadline recorded: 24 August 2026
Puts the permission at risk: Yes

This record was assembled by its owner using The Modern Housebuilder. Its contents have not been checked or verified by The Modern Housebuilder.
This document contains the material its owner chose to include. It is not necessarily their complete record.

Submitted, 13 July 2026
The method statement, the wheel wash position and the delivery hours. Most of it came off the prelims I had already written for the tender.
Recorded as discharged, 17 August 2026
Discharged. One week before start.
Condition 5 - construction method statement - discharge notice.pdf

Condition 6

Ecology mitigation

Class: Pre-commencement
Detail: The development shall be carried out in full accordance with the precautionary method statement dated 21 March 2025 and the hedgerow shall be removed outside the bird nesting season.
Recorded by the owner as something they were told by someone else.
Deadline recorded: 24 August 2026
Puts the permission at risk: Yes

Submitted, 20 July 2026
Rye Ecology method statement submitted as approved.
Recorded as discharged, 10 August 2026
Discharged.
Event occurred, 28 August 2026
Hedge removed under the ecologist watching brief, outside nesting season. She signed the site record and I have it in the evidence file.
Condition 6 - ecology mitigation - discharge notice.pdf

Condition 8

Landscaping

Class: Pre-occupation
Detail: A landscaping scheme shall be submitted to and approved in writing before first occupation, and shall be implemented in the first planting season following completion of the development.
Recorded by the owner as something they were told by someone else.
Deadline recorded: 8 November 2027
Puts the permission at risk: No

Condition 11

Hours of working

Class: Ongoing
Detail: No construction work shall take place outside the hours of 07:30 to 18:00 Monday to Friday and 08:00 to 13:00 Saturday, with no working on Sundays or Bank Holidays.
Recorded by the owner as something they were told by someone else.
Deadline recorded:
Puts the permission at risk: No
